PROFESSIONAL SUMMARY

Product Manager owning subscription growth and monetization end-to-end at The Atlantic: from checkout billing, new products, and retention systems. I believe the best way to grow revenue is to build something worth paying for.

PROFESSIONAL EXPERIENCE

The Atlantic | New York, NY

Product Manager, Subscriptions & Monetization | Jan 2023 - Present

- Led 0→1 launch of Premium Plus, a shared subscription tier. Owned product roadmap from billing logic, sharing infrastructure, to acquisition surfaces, driving a **220% lift in upgrade revenue** and **8% lift in acquisition AOV**.
- Conceived and launched an IP-based free access program for high schools; secured executive buy-in and led cross-functional delivery, expanding access to over **2,000 public schools (~3M students and faculty)**.
- Built a behavioral model linking early engagement actions to long-term retention, leveraged it to launch a dynamic personalized onboarding flow, driving **190K app downloads** and **230K newsletter signups** since 2024.
- Owned multi-phase launch of **cancel/save** feature. Streamlined cancellation and auto-renew flows into a single experience with configurable dynamic discounts, reducing **cancellation rate by 11%** and **voluntary churn by 17%**.
- **Migrated subscription stack** from **Stripe to Zuora/Zephhr** over 6 months, moving paywall, pricing, and on-site promotion features out of engineering backlogs and into marketing configurable surfaces for the first time.

Associate Product Manager | Sep 2021 - Dec 2022

- Owned **acquisition pricing experimentation** across all subscription products. Ran A/B tests over multiple sprint cycles, ultimately driving **12% lift in acquisition revenue** and a **further ~16% lift in academic revenue**.
- Built our first **sales tax engine in Avalara**, enabling compliant tax collection across all 50 states, replacing absorbed tax costs with automated checkout logic across the subscription business.
- Launched self-service subscription **upgrade and downgrade flows**, reducing related customer care **call volume by 80%**.

Dollar and Wholesale Store | Orlando & Tampa, FL

General Manager | 2012 - 2021

- Took on progressively broader ownership in my family's retail business, from high-value customer relationships to operations, inventory planning, and vendor negotiations.
- Scoped and launched **seasonal clothing product lines** based on dozens of customer feedback surveys, increasing annual clothing revenue by **~45% in 2018** and a **further ~35% in 2019**.
- Planned and executed a **second location expansion**, including financing, site selection, inventory allocation, and sales negotiation to Tampa, driving **53% revenue growth**.

EDUCATION

Columbia University, Columbia College, New York, NY | *QuestBridge Scholar*

B.A. in Economics-Political Science, 2021; B.S. in Mechanical Engineering, 2020
